## V700 Vertical Windlass

With 316 stainless steel housing and a sleek flush-mount design, the V700 is one of the most attractive and durable small windlasses on the market. It works at the push of a button and has two built-in features that make it unique – impact protection and a Fall Safe gypsy lock.

- 316 stainless steel deck unit
- IP67 rated (water resistant to 1 metre)
- Fall Safe gypsy lock - prevents accidental deployment when under way
- Impact-resistant motor cover
- 5-year warranty
- For boats up to 10.5m (35 ft)
